Welcome to Cypress Cottages

There's no better place to take a break than in the vast quiet of the Great Karoo, in historic Graaff-Reinet. These two charming cottages date back to the 1800s and combine authentic Karoo style and ambience with every modern comfort. Beautifully restored and furnished with antiques, they face each other across the shady quiet of one of the most picturesque streets of the town. Each cottage has its own private garden.

The Valley of Desolation

There's no better place to see the drama of the landscape, to learn about its geological evolution or to view the amazing setting of the town, or to watch the sun rise or set over the Plains of Camdeboo than from these extraordinary cliffs and crags.

Karoo Nature Reserve

Graaff-Reinet is uniquely situated at the centre of a nature reserve of 15000 hectares, which supports a variety of wild life, including mountain zebra, wildebeest, ostrich, eight species of antelope and the rare Cape Buffalo.
